

## Nylon Tires

Nylon Tires enterprises integrating design, research, development, production, sales and after-sales service are one of the large production bases of industrial and mining tyres in China.

We'll make each hard work to become excellent and excellent, and speed up our measures for standing from the rank of intercontinental top-grade and high-tech enterprises for Wholesale fast delivery Nylon Tires, Welcome any inquiry to our firm. We're going to be glad to establish pleasant business interactions with you! Wholesale fast delivery Nylon Tires, Strong infrastructure is the require of any organization. We have been backed with a robust infrastructural facility that enables us to manufacture, store, quality check and dispatch our merchandise worldwide. To maintain smooth work flow, we have now sectioned our infrastructure into a number of departments. All these departments are functional with latest tools, modernized machines and equipment. Owing to which, we're able to accomplish voluminous production without compromising upon the quality.

### Product Introduction

Nylon tires for port machine are equipped with advanced manufacturing equipment from smelting, extrusion, cutting, molding and vulcanization.

Various raw materials such as rubber, steel wire and carbon black are purchased only from top suppliers, which effectively guarantees the stable quality of the products.

### Product Parameter (Specification)

型号	层级	花纹深度	标准轮辋	外直径	断面宽	最大载重 ( kg )			最大气压 ( KPA )	
NO.	PR	Tread Depth	Standard Rim	Overall Dia	Section Width	Max Load			Max Pressure	
		mm		mm	mm	10km/h 50km/h			10km/h 50km/h	
18.00-25	48	32	13.00/2.5	1650	495	34200	27500	25600	1150	
16.00-25	40	32	11.25/2.0	1490	430	26400	21300	19800	1075	
14.00-24	36	32	10	1370	375	21600	17400	16200	1100	

### Product Feature And Application

Pattern design optimization,strengthen the pattern block rigid,ensure the tire wear, Nylon tires for port machine with the structure reinforcement to ensure it has a bearing performance and durability of pavement superior,grip and good traction perfect.
